NASCAR EURO SERIES

WHY YOU SHOULD APPLY

THE BEST WAY TO MASTER ALL ASPECTS OF RACING

The NASCAR Euro Series is the best and most cost-effective way to master all the aspects of racing. **If you are good on a EuroNASCAR car, you will be good in any other car!**

For the competition: the best drivers battle to become European NASCAR Champion - one of the most challenging international FIA series - and to put their name in the NASCAR Hall Of Fame alongside the legends of NASCAR. Special trophies to reward every kind of driver: Junior, Challenger, Legend, Master, Lady

To build your career: the NASCAR Euro Series is the ideal stepping stone to build a professional career for every driver aspiring to race at the highest international level. Many drivers already stepped up to professional level thanks to NASCAR Europe: US NASCAR Series (Cup, O'Reilly,..) and Endurance (IMSA, WEC …)

For the fun: with its 400 HP thunderous V8, no electronic aids and a driving feeling that fascinated some of the brightest stars in motorsports, the EuroNASCAR race car has quickly become the ultimate challenge in Europe and a must drive for any kind of driver. Tens of thousands of fans flock to the best European tracks to enjoy the unique atmosphere of the NASCAR Euro Series events.
